

facials

essential part of your skin care regime

togninis signature facial

togninis offer the essential requirements of every great facial, including a facial treatment mask personally designed for you.

anti-ageing

improves fine lines and early signs of ageing, firms and nourishes the skin resulting in a more youthful appearance.

tranquility

restores balance and well being whilst your skin is re-hydrated. leave with your skin feeling soft and smooth.

purifying results

transforms troubled skin. treating acne, scarring, sun damage or pigmentation. ensures your skin will be uplifted and glowing.

45 mins..... 90
 30 mins (cleanse, exfoliate and massage)..... 65

enhance togninis signature facial with a touch therapy, designed to relax and soothe. choose from:

- facial massage
- back massage
- shoulder and scalp massage
- foot and lower leg massage

each additional therapy 15 mins 27

the fight back facial

because living in the australian climate can be harsh on your skin, our fight back alpha hydroxy acid treatments have been designed to combat fine lines, pigmentations, sun damage and age spots. ideally this treatment is taken as a course.

initial treatment 1 hour 125
 subsequent treatments 30 mins 80
 6 treatment course..... 500

derma lift treatments

a non-surgical facelift treatment designed to tone through gently stimulating those areas that have lost or seem to be losing their youthful glow and resilience. the finer lines that have formed around the eyes will start to diminish and your skin texture will take on a much fresher appearance, feeling smoother and rejuvenated. most effective as a course of treatments.

individual treatments 70
 12 treatment course..... 700

makeup

perfect for special occasions, our full makeup service will have you looking your best on the day. our approach is to use cosmetics to enhance, not hide, your features.

30 mins..... 65
 \$30 redeemable on makeup purchases on the day

makeup lesson

utilising your existing makeup, our team can assist you with new makeup ideas and application techniques to enhance your best features.

60 mins..... 100
